

Features

Flexible Ultra-Thin Design
Easily attaches to packages or other curved surfaces.

Battery
12-Month Battery Life & IATA Compliant.

No SIM card needed
It works with the crowdsourced Bluetooth network.

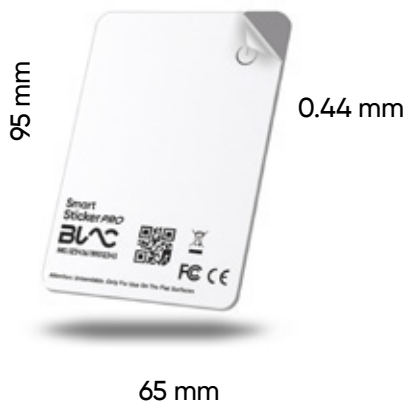

Update Interval
Connectivity every 60 minutes.

Global Positioning
Works globally without frequency restrictions.

Easy Installation
Tear the easy-peel tab to quickly power on and start working.

Data sheet

Size (mm)	95*65 mm / Thinnest: 0.44 mm / Thickest: 1.2 mm
Weight	10 g
Technology	Crowdsourced Bluetooth network
Battery	Built-in 25 mAh non-replaceable Eco-friendly Zn-Mn Battery
Material	Waterproof paper / Thermal paper
Operating emperature	0°C a 45°C
Battery Life	Up to 12 Months (Battery life may be reduced at low temperatures.)
Certifications	CE, FCC, RoHS. Additional certifications available
